Use the space below to write the rules of play for your card game. After playing the game, reflect on the experience by discussing and answering the questions.

## Rules of Play / Reflection:

*Example: Players lay cards down to identify potential connections to two Earth spheres. Player one calls out 1-2 features connecting the two.*

### Game Rules:

### Reflection:

1. How do your card drawings depict interactions with different Earth spheres?
2. What methods or strategies did you use to develop the rules of play?
3. What new things did you learn about Earth's spheres through playing the card game?
