Unit: Animal Responses to Information

Lesson 2: Use Your Senses

For each sense below, write in the perceived information about the object you removed from the bag.

Sense	Perceived Information
<i>Example: Taste</i>	<i>Strange texture, crumbly/granular, bitter, citrus-like flavor</i>
Smell	
Touch	
Hearing	

Write an explanation for how the object can be used based on the information obtained using your senses (above).

Object Identification and Use

Example: The dried lemon slice can be used to flavor tea or to scent the air in a room because it has a pleasant citrus smell and flavor.
