

ENVIRONMENTAL LITERACY EXPLORATION

COME EXPLORE THE NEW ENVIRONMENTAL LITERACY STANDARDS THRU THE LENS OF A RAFT KIT - FREE!

We invite you to take a breath of fresh air, get curious, and build an electric wind generator.

- Registration will include a free set of kits (for 32 students) to use in your classroom, shipped directly to you!
- Enjoy and practice nature journaling.

DATES: October 13th, October 27th, or November 3rd (3:30-5:00 pm for all dates)

LOCATION: Virtual, Zoom link provided upon registration
